# Curative Is A Great Resource for Your Personnel Needs

**No budget to advertise for new employees? No time to sort through 200 applications for one opening? We have the solution.**

**Curative's Community Employment Program offers the following services at NO COST to Southeast Wisconsin employers:**

- Recruitment from our qualified pool of prospective employees based on specific needs outlined by individual employers. We've already assessed the skills and strengths of each of our candidates so we can easily identify the right match for your needs. You can avoid the cost of advertising job openings and the time needed to sort through applications.

**"Curative's Community Employment Program staff members know our needs and refer 'good fits' for our organization." - Wisconsin Athletic Club**

**"I would love to hire 10 more people just like Lee Roy." - Pick 'n' Save**

- Assistance with on-the-job training, including free Job Coaching from a Curative employee, for as long as necessary.

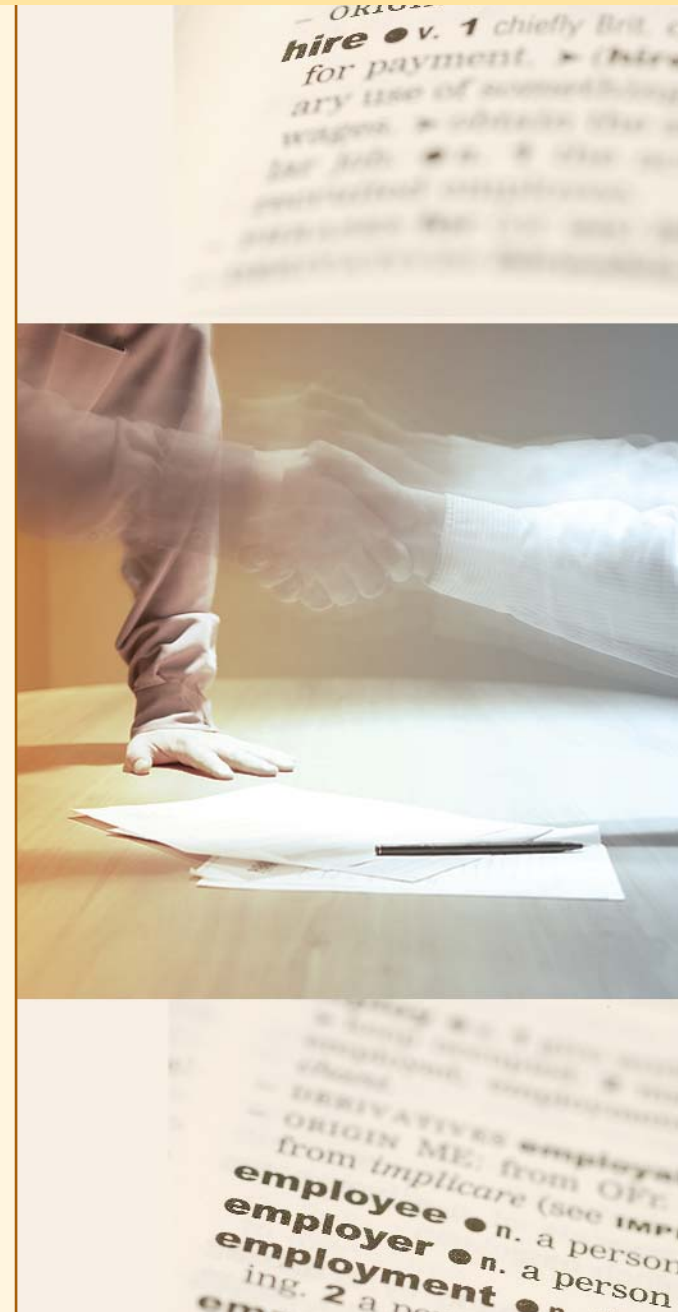

**"We are thankful that Curative assisted us in recruiting Tabatha. Curative staff worked side-by-side with Tabatha to make certain she met our expectations. She is a dedicated and reliable worker." - Dollar Tree**

- An ongoing relationship with a Curative Placement Specialist who knows your business and can respond quickly to your needs.

**"Timothy has been a great asset in keeping our two stores clean. Curative staff provided excellent followup services to assure our satisfaction with the referral." - Sprint of Shorewood**

- Consultation regarding the Americans With Disabilities Act and assistance with modifications of job tasks if necessary. Information regarding Federal Employer Tax Credit availability.

**"We are very happy with the individual referred to us from Curative. She has assisted in a number of projects in the Human Resources Department." - M&I Bank**
