Celebrating 100 Years of Helping People Thrive

At Curative

Miracles Happen Every Day

One hundred years ago, Elizabeth Upham Davis founded Curative Care with a breakthrough vision to better the lives of people with disabilities. Since then, Curative has grown from a one room cottage to a leading community resource that provides compassionate programs for children, adults and seniors with limiting conditions in Milwaukee and surrounding counties. Over the years, Curative has cared for over **200,000** people.

Curative serves more than **5,300 children, seniors and adults from six counties in greater Milwaukee annually – 85% are children.** We care for the young and the old, from 10 days old to 95 years. We've cared for some clients for decades, including one man for 50 years!

Caring for a child with special needs can be a difficult journey and **no child is denied care** regardless of financial circumstances. Over **\$1 million in charity care** is provided annually in Curative's programs for children. Please support our 100th Anniversary Gala and help children with disabilities thrive!
