

Individualized Services for Children with Special Needs

- Milwaukee County Disabilities Service Division contracts with Curative Care to provide Service Coordination for children and families currently participating in the Children's Long Term Support waiver program.
- The Curative Pediatric Case Management Team provides treatment services and resources for children diagnosed with an Autism Spectrum Disorder and other disabilities or limiting conditions.
- A professional Service Coordinator is assigned to each child served to help assess their individual needs and arrange for a variety of community services, including: respite care, home modifications, therapeutic services or adaptive aids. Other services may be arranged based on the child's needs.
- Curative Service Coordinators serve children up to age 22 who have a severe physical, developmental or emotional disability.
- Children served must have a long-term care need and reside in Milwaukee County.
- Resource Centers in Milwaukee County accept applications for Children's Long Term Support (CLTS) services. Call the Milwaukee County Disability Services Division at 414-289-6799.

All services are based on each child's assessed needs and goals, which are developed with input from the family and/or caregiver.
