### REACHING FOR TOMORROW, TOGETHER

Over 100 years ago, Elizabeth Upham Davis founded Curative Care Network with a breakthrough vision to better the lives of people with disabilities. Since then, Curative has grown from a one room cottage to a leading community resource that provides compassionate programs for children and adults with disabilities or limiting conditions in Milwaukee and surrounding counties. Our proven programs offer a variety of purposeful, goal-oriented activities and opportunities that promote independence and enrich lives. We see people for their abilities and our amazing staff works with them to improve their function and quality of life.

On Thursday, November 12 we will hold a special virtual event to help support the critical programs and services we provide to clients throughout the greater Milwaukee region. I am writing to ask if you would be willing to make a monetary sponsorship for this special online event. Your donation is critical not only to the success of this event but for the future of Curative Care Network.

Through generous contributions by our donor friends, we can continue to address the needs of the community with innovative programming and cutting-edge equipment, like in our new Kohl's Cares Pediatric Therapy Gym.

Please join us for our inaugural FriendsGIVING virtual event by making a donation today.

We are thankful for your support and thank you for helping our clients thrive here at Curative. Learn more about this special fundraising event on our website: [www.curative.org/friendsgiving](http://www.curative.org/friendsgiving).
